June 2025

NEHA Family Camp Attendees,

Welcome to our 33rd Annual Family Camp! We are thrilled to welcome you – or welcome you back – **to a place that is so special to our Wicked Strong Family!** The mission of Family Camp is to build knowledge, self-care, and community in a supportive, safe, and engaging environment. Whether you are a parent, patient, grandparent, sibling or friend, we hope camp allows you to learn and grow. I encourage you to expand your comfort zone, introduce yourself to a family you have never met before, and challenge yourself to try something new.

Our camp theme, "Heroes United," is a reminder that heroes come in many forms. From the superheroes we see on screen to the real-life heroes all around us—parents, medical professionals, researchers, and advocates—each plays a vital role in supporting and advancing care for those living with bleeding disorders.

Camp can be an extremely rewarding and emotionally intense experience. People will be sharing their personal journeys about how living with a bleeding disorder impacts their lives and their family. Join these conversations, add your voice, and be an advocate. I hope this experience will help you to learn, process, and thrive. **The more you put into Family Camp, the more you'll get out of it.**

We look forward to hearing stories about how camp has impacted you. Welcome to Family Camp!

Rich Pezzillo  
NEHA Executive Director

# GROUND RULES FOR CAMP

- All participants must remain in supervised areas and participate in supervised and approved activities **at all times**.
- Parents/guardians may, at no time, leave the camp premises without their child/children unless a spouse, parent, or other legal guardian remains behind to take responsibility for their child/children.
- **A lifeguard must be present for all waterfront activities.**
- Children under 18 must be accompanied by their parent or guardian for all waterfront activities.
- **Lifejackets must be worn at all waterfront activities** except swimming. Lifejackets will be provided for boating activities.
- **Fishing is only permitted at Second Beach and Third Beach.** You may not fish at the waterfront, where people swim. If you wish to go fishing, please contact NEHA Staff to make arrangements on a time and location with Geneva Point Center.
  - **Anyone over the age of 16 who wishes to fish will need a license from NH.** Licenses may be obtained online; ask a NEHA staff member to print it for you.
- **Campfires may not be started without permission from Geneva Point.** If you wish to have a campfire, please contact NEHA Staff.
- Do not bring real or toy weapons such as knives, guns, etc.
- **If you bring a bike, you must wear a helmet.** It is also recommended that you wear elbow and knee pads due to the rough terrain. **Bike riding is not permitted after dark.**
- Scooters, skateboards, and roller blades are not allowed at Camp.
- **Pets are not allowed at Camp**, unless they are service animals. Please don't approach or try to pet any service animal unless the owners tells you.
- The electrical systems inside cabins are not equipped to support many electrics that generate heat. Please do not use appliances such as blow dryers, curling irons, hair straighteners, toasters, mini refrigerators, coffee makers, microwave ovens, air conditioners, etc. at camp.
- Anyone under the age of 16 should not be in a golf cart unless it is an emergency or they have made arrangements ahead of time with NEHA staff.
- Quiet and courtesy time begins at 10 PM each evening.

**NEHA Family Camp is a drug, marijuana and alcohol free environment. Alcoholic beverages, marijuana, and other illegal drugs are not allowed. Smoking tobacco is not permitted on campgrounds with campers present and is only permissible in places designated by Geneva Point Center. Disregard for this policy may constitute grounds for dismissal.**

# BIG STICK AWARD

At Family Camp, earning a “Big Stick Award” is a proud tradition. This award celebrates when a camper with a bleeding disorder who needs IV treatment—either for prophylaxis or to treat a bleed—successfully finds a vein, administers saline, and gets a blood return for the first time at camp. **It’s a major step toward independence and confidence with self-infusion.**

Campers work toward this milestone in infusion class, and our medical team is available for extra support if needed. Please check with them about availability for one-on-one help.

**The final chance to earn a Big Stick is Friday at 2 PM.**

Awards will be presented at the ceremony on Friday at 5 PM.

# MAMA MUND CREW

Throughout the week, a dedicated team of volunteers, known as the “Mama Mund Crew,” will be actively supporting our campers. Inspired by the legacy of long-time Family Camp volunteer Anneliese Seitz-Mund, this group carries forward her mission of helping children feel safe, supported, and at home in the camp environment.

Consisting of individuals with expertise in child behavior, transitions, and mental health, the Mama Mund Crew works closely with our counselors to address any challenges that may arise during color group rotations. Their role includes offering one-on-one support when needed, as well as providing general guidance to ensure a positive, inclusive and welcoming experience for every camper.

# THANK YOU!

**Our heartfelt thanks to the following people for generously donating their time and talents. Volunteers are critical to the village that makes camp happen—every effort was made to include everyone who helped.**
